Piles.

Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, as flatulency, uneasiness of the stomach, etc. A mixture like prescription producing a very disagreeable itching, particularly at night after getting warm in bed, is a very common attendant. Blood bleeding and itching piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the tumors, allaying the intense itching, and effecting a permanent cure where all other remedies have failed. Price 50 cents. Sold by C. Schenck, A. Dreiss and L. Orynski.

THE CITY PUBLIC SCHOOLS.

The School Board met and made the following report.
The City Council met yesterday afternoon at a school board and the following were present: Mayor James H. French, Aldermen Dwyer, Degener, Dekamp, Bolton, Schreiner, Pauly, Richter, story and Lockwood.
City Clerk E. P. Claudin read the following message from the Mayor:

MAYOR'S OFFICE.
SAN ANTONIO, TEXAS, Jan. 22, 1883.

To the Honorable School Board:

GENTLEMEN: It must be apparent to all who have given the subject any thought that some more definite plan must be adopted for the management of our public schools other than the present system. The City Council as a body is too numerous in the first place to be called together on all occasions requiring action on the part of the school board, and the Committee on schools is without authority really to act in the ordinary details without their consent, consequently the schools are left to drift along without any responsible and authoritative direction. This state of affairs is a source of anxiety and concern to your superintendent as well as committee, and, as the schools are constantly increasing in importance, a correction should be applied at once.

That one-aided from such ward be elected by the City Council by ballot; that two citizens be selected in the same manner, with the City Council shall constitute a board of education. That the Council shall retain the sole control of all matters touching the interests of our public schools, except the restriction of the salaries of teachers and the voting of supplies; that these last mentioned subjects shall be by and to the school board, which shall be a school board to be elected by the City Council for their term.

J. H. FRENCH, Mayor.

SLEEPING ON THE PLAZA.

A Man With an Unpronounceable Name is Fined for It.

As City Attorney Newton was prosecuting the case in the Recorder's court yesterday he came across a name inscribed on an affidavit that, to use his own words, "completely got him." The name was H. Schnaughney. He did not attempt to pronounce it for fear that his law might be fractured, but when he wanted the accused he showed the paper and referred to him as this man. The charge proved by the facts was simple. He was drunk and down in front of Front's store, on Main plaza, Schnaughney denied the charge, but admitted to sleeping on the plaza, when the City Attorney said: "I suppose you're forgetting it." "Well," said the Recorder, "I'll fine you \$5 for sleeping on the plaza."
